## FOREST MESSAGE by Maureen Henderson

I thought Fall was in the air, but these hot days in late September have me wondering. We've had a busy time the last several weeks. Your Board members have been working hard on activities for our members. We just completed our Tack Swap organized by Liz Daffner. See her report on this successful event at Page 9 of the newsletter. The horse shows are coming up on October 8 and 9, and of course, we are looking for volunteers to help make it as successful as ever. You should have received an email with a link to our online signups so you can select your spots quickly and easily with just a click of the mouse. For those of you who choose not to sign up electronically, but would like to volunteer to help out, just give me a call or send me a text and I will be happy to sign you up manually.

Coming up later in the month we will once again be hosting a bicycle desensitization clinic for you and your horse. The clinic will be held at the arena. Details will be set forth on our website and Facebook. Bring your horses so they can experience a positive encounter with bicycles to instill the confidence they should feel when encountering a bike out on the trail.

I would like to remind everyone of our "LEAVE ONLY HOOF PRINTS at Placer County Parks program where horses leave only great impressions." To those of you who have already picked up, Thank You. Please pick all manure around your trailer and take it with you; do not spread it to the adjoining grass and bushes. Remember, we are the minority in most parks and on the trails. We want to do everything we can to leave a clean environment for others with whom we share the parks

Lastly, be sure to mark your calendars for our Annual Christmas Party which will be held on **December 7** this year.

Maureen

### TRAYLOR RANCH NATURE RESERVE

Have you been out to Traylor Ranch this month? The goats did a good job clearing a fire trail. Since they did such a good job, I've cancelled workdays for the rest of the year.

I'd like to thank all of the volunteers who helped out this year. Without your help, we would not have this great park.

Also, I'd like to remind you to donate to TRNR. It is those donations which cover our fuel, mechanical fixes, etc. Just send a check to LBHA with TRNR in the info box.

The trails are in great shape, so come on out for a ride or walk.

If you have any questions, don't hesitate reaching out to me.

Committee Chairpersons present were: Liz Daffner and Kathy Dombrowski. Not Present: Dave Faoro, Barbara Heyward and Melanie Warlow.

Tack Swap Report: Liz reviewed Facebook advertising; parking; signs for directing traffic to the swap and directional signs for the parking lot itself; arena v. upper parking lots for vendor spots; and overflow parking in the big arena.

Horse Show Report: Kathy advised we were beginning to receive entries and is planning on taking pre-show signups at the tack swap. Maureen reported she had approached High Hand Nursery for plant donation for the jumps on the day of the English show. There was discussion of where to further distribute horse show flyers. Maureen had been given a flyer for an upcoming Care for Aging Horses upcoming event at Mt. Vernon Equestrian Center. We will send out an email blast to the membership.

Trails Report: Pat reported that the mountain bike community was unhappy with our draft trails policy. She and Maureen met with Matt Weber and Mark Pecotich, representatives of the mountain bike community, for clarification of some issues. There were some misconceptions by the biking community with regard to the biking community having to build its own trails. They discussed trail modifications, with safety being the main concern by LBHA. There was further discussion re multiuse standards and the lack of reporting problems to a central data bank.

Bike/Horse Clinic: Maureen reported on a possible partnership with Victory Velo Bike Shop for the upcoming clinic

Location to be decided at the next meeting.

Greg King motioned to adjourn at 8:11p.m.

## Na'alapa Stables in Waipio Valley

On the northeast side of the "big island" of Hawaii

by Robert H. Sydnor, A.E.R.C. Trail Master      October 2016

### Introduction

We arrived a week early on the "big island" of Hawaii for a 4-day professional geology convention in Kona (on the "dry" **western** side of the island). So we went to the rainy **eastern** side of the island, checked into a hotel in Hilo, then drove north on Highway 19 to the Waipio Valley and rented horses at the Na'alapa Stables. Shown below is an index map for the horse stables.

**Na'alapa Stables in Waipio Valley**, telephone 808-775-0419, [www.naalapastables.com](http://www.naalapastables.com)

From Hilo, drive north about 1½ hours on Highway 19, then turn onto Highway 240. Morning or afternoon 2½ hour rides are \$89. Reservations are recommended. Each ride is led by an experienced equestrian. All participants must sign a legal waiver. Groups are limited to 12 riders. Take a van from the office and descend a steep narrow road to the valley floor where the horse stables are located in a lush forest. The pace is at a walk for these steady horses, following dirt roads and trails with shallow creek crossings. These experienced and savvy rental horses have crossed these creeks a thousand times, so there are no predicaments. With an average annual rainfall of 80 to 100-inches, it rains frequently, so check the weather report, and bring a light jacket and a hat.

**Waipio Valley** receives about **100-inches of rain** per year. Centuries ago, this flat-bottomed valley with steep cliffs on each side had a population of over ten thousand native Hawaiians because of fertile soil and high rainfall. There are currently less than 50 people who live and farm here.

There are two high waterfalls: **Kaluahine Falls** (620 feet) and **Hī'ilawe Falls** (1,450 feet, the highest on the island).

The best **reference book** is: Andrew Doughty, 2016, Hawaii, the big island revealed, 8th edition: Wizard Publications, 315 pages in color, with maps and photos, \$19.99 (available from Amazon.com).

The **best map** is: Robert Siemers, 2015, Hawaii Island Atlas and Maps: Environmental Designs, \$6.95, colored map, including a geologic map, rainfall map, and other scientific maps.

## Tack Swap

We had our first Tack Swap on September 25<sup>th</sup> with many volunteers making it a successful and well attended event. Bree Hendricks helped plan the event and I'm grateful for her commercial vendor experience. She's also the reason Maria's Tacos food truck attended. Their burritos and tacos were delicious! Pat Gibbs and Maureen Hendersen welcomed sellers and directed them to the loading zones while Melanie Warlow and her husband Joe helped them park in the arena. We didn't know how many people would attend so we wanted to have enough space around the booths for buyers to park. Now we know parking can be a little looser. Kathy D was awesome as always. She set up the LBHA booth and helped iron out all the little details such as garbage cans, paint for the lines, electrical ETC. She also organized the selling of hats, T shirts, and waters from the LBHA booth. We signed up new members and help spread the word about the upcoming horse Show. Barbara Lawrie and Carol Davis filled the first LBHA booth shift while everything was still being set up. Then my own mommy Alberta Daffner pitched in. Maureen made sure that the vendor area was all clean the night before and brought ice for our bottled waters and balloons for the Tack Swap sign along King Rd. Greg and his girls did a wonderful job helping people unload. They helped with heavy lifting, setting up easy-up, tables, ETC. The buyers really appreciated the extra hands. Our Treasurer Janis Rau collected the booth fee from everyone and was up early posting our signs at every major intersection including both Penryn freeway off ramps. Pete Rau graciously took them all down to finish the day.

We had about 17 sellers, some reserved multiple spaces. Vendors included artists, LBHA members, non-members, and even a Sensy Candle vendor. I caught my husband leaving her booth with an including the scent of *leather* for his recently renovated man space. My husband...

Many of the sellers gave positive feedback and almost everyone was surprised with how much they sold. Several vendors gave us valuable input for our next Tack Swap that could be in Spring depending on what our membership decides. In addition to posting flyers around town and advertising through our own membership, we created a facebook ad that reached 11,012 people and was shared 129 times between friends. Not bad for our first attempt at advertising through social media.

Great job everyone!!

## RELEASE AND HOLD HARMLESS AGREEMENT

The Undersigned assumes the unavoidable risks inherent in all horse-related activities, including but not limited to bodily injury and physical harm to horse, rider and spectator. The Undersigned acknowledges that horse-related activities are dangerous and that horses themselves have unpredictable temperaments which can sometimes cause injury. The Undersigned acknowledges that even the most experienced horse event sponsor, participant or horse owner cannot predict how each individual horse will react in a variety of situations and cannot guarantee my safety. THEREFORE, BY SIGNING BELOW, I KNOWINGLY ASSUME THE UNAVOIDABLE RISKS INHERENT IN ALL HORSE-RELATED ACTIVITIES, WHETHER KNOWN OR UNKNOWN, INCLUDING BUT NOT LIMITED TO BODILY INJURY AND PHYSICAL HARM TO HORSE, RIDER AND SPECTATOR, AND AGREE TO THE FOLLOWING ON BEHALF OF MYSELF AND MY SPOUSE, IF ANY:

1. I HEREBY RELEASE AND DISCHARGE LOOMIS BASIN HORSEMEN'S ASSOCIATION ("LBHA"), THE LBHA BOARD OF DIRECTORS, ALL LBHA OFFICERS AND INDIVIDUAL CLUB MEMBERS AND THEIR AGENTS, EMPLOYEES, OR REPRESENTATIVES, AS WELL AS PLACER COUNTY, (HEREINAFTER COLLECTIVELY KNOWN AS "RELEASEES") FROM ALL ACTIONS, CLAIMS OR DEMANDS I MAY NOW OR HEREAFTER HAVE FROM INJURY, DEATH OR DAMAGE RESULTING FROM MY PARTICIPATION IN ANY HORSE-RELATED ACTIVITIES SPONSORED BY LBHA, AT LOOMIS BASIN HORSEMEN'S ARENA OR AT ANY OTHER LOCATION.

2. I also EXPRESSLY WAIVE any rights I may have under California Civil Code §1542, which states: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

5. I agree that I will DEFEND, INDEMNIFY AND HOLD HARMLESS Releasees against all claims, demands, and causes of action, including court costs and actual attorney's fees, arising from any proceeding or lawsuit brought against them due to any act done by me, or brought by me or for my benefit.

I HAVE READ THIS RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT CAREFULLY AND COMPLETELY, AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND A CONTRACT BETWEEN MYSELF AND RELEASEES, AND I SIGN IT OF MY OWN FREE WILL. I FURTHER AGREE THAT NO ORAL REPRESENTATIONS, STATEMENTS OR INDUCEMENTS APART FROM THE FOREGOING WRITTEN AGREEMENT HAVE BEEN MADE, AND THAT I RELY ON NONE.
