PRESIDENTS MESSAGE by Maureen Henderson

I think summer is over??? I, for one, am looking forward to cooler days for great autumn rides out on the trail with the beautiful scenery and changing fall colors. Except for our upcoming horse show, the events held this year at the arena have been completed. Our publicity chairperson, Liz Daffner, is the person who has spent the time and energy putting together our calendar of events. We would like to thank the clinicians, Marty Courtney, Kathy and Elliott Roberts, Mandi Thompson and Victory Velo Bike Shop in Auburn, for participating with LBHA in taking time from their busy schedules to work with us. We couldn't have done it without you.

With regard to the horse show, we still need many volunteers to make our shows a success. If you would like to volunteer but don't want to use the electronic signup page, just email me at mmhenderson@hotmail.com and I will be happy to assign a spot to you. Just let me know what position and time works for your schedule. If you're comfortable signing up online, click this link to go to our invitation page on SignUp.com: <http://signup.com/login/entry/146996705354550071>.

I want to share with you an article I recently read from Equus Magazine entitled: "5 Simple rules for keeping the peace on the trails." You may read this article at: https://equusmagazine.com/horse-world/trailsharing-savy-53082?utm_source=EQUUSNL&utm_medium=email&utm_campaign=Newsletter

Lastly, I have noticed over the last couple of months, when visiting Hidden Falls, that there are quite a number of droppings left in the parking lot by our fellow horsemen. Even though there are signs posted requesting that you take your manure home with you, that is definitely not happening at Hidden Falls. Please remember that riding our horses there is a privilege and not a right. It can be taken away at anytime. By not heeding the request to remove our manure, it puts all of us at risk for losing this privilege. This is a park which is heavily used by many other user groups and not all of them like horses. Even I am not a happy camper when I have to rake up droppings before I tie my horse to the trailer to get him ready. Please remember to be polite, courteous, and take your horse's manure home with you.

We're Done for the Season!
Thank you to all that
helped maintaining
Traylor Ranch
2017!

We cancelled our August Work-day. Only a little cleanup is necessary. The trails are in pretty good shape but we have areas which could use some weedwacking. I understand if you can't make the actual workday but if you are willing to come out for a couple of hours at other times and do some weedwacking, please contact me. We can arrange things.

MINUTES
LBHA Board and General Meeting
Septemnberr 20, 2017

Meeting was called to order by Maureen at 6:40 pm. The following Board members were present: Maureen Henderson, Janis Rau, Barbara Heyward, Flo Faoro, Dave Faoro, Melanie Warlow. Not Present: Kathy Dombrowski, Sherry Debaere, and Greg King.

Janis Rau gave the Treasurer's Report. She asked Dave F. for receipts on Traylor Ranch.

Dave reported on the new P.A. system he purchased for arena: He will set up both the old speaker system and the proposed new equipment on Saturday morning at 9:00 a.m. LBHA members present will evaluate and determine which system best meets our needs. The new system can be returned within 30 days.

Auburn Bike Park: Due to the number of comments submitted on the Draft CEQA Report, the hearing scheduled to be held last week was continued until September 28 at 6:00 p.m. at the Maidu Community Center. Pat Gibbs will attend on behalf of LBHA. The ARD has scheduled a site walk for Thursday evening. Maureen, Janis and Pat Gibbs are planning to attend. Items to monitor: chain link fence and clear signage excluding bikes from the designated horse/hiker trail.

Arena upgrades: Liz Daffner sent a report on upper arena sand upgrade: Livingston's gave us an estimate of \$4,744 with a \$500 donation if they can hang an advertising banner. Taking down and re-doing the fencing is not included. Jennifer will contact John Foerstal to find out if he is interested in providing us with an estimate. Dave moved that we get a total of 3 bids for the work to be done. Maureen seconded the motion. A vote was taken and passed unanimously. We will ask Liz to contact Robinson's Sand and Gravel for the third bid.

Traylor Ranch: Dave Faoro reported that no more work days will be necessary through the end of the year.

Parking for the horse show--details to be decided soon.

The December LBHA holiday meeting is booked at Round Table in Auburn from 6-9 p.m., Wednesday, December 20th.

The next meeting will be held on Wednesday, October 18, 2017 at Round Table in Loomis. Eat at 6:00 pm, meeting at 6:30 pm.

The meeting adjourned at 7:30 pm.

Mule Rides in Grand Canyon National Park

both the South Rim and the North Rim

by Robert H. Sydnor, *Geologist and A.E.R.C. Trail Master*

Mule rides into the Grand Canyon have been popular since the Bright Angel Trail opened to tourists in 1891. More than 600,000 people have ridden mules in the Grand Canyon in the past century. The mules are sturdy, calm, and in excellent physical shape. Mule rides led by an experienced wrangler are available for hire in Grand Canyon National Park for both the South Rim and the North Rim. It is best to reserve a ride one year in advance, since these mule rides are very popular. The equestrian concessionaires are different for the South Rim and the North Rim, as described on page 2. You are welcome to bring your own helmet.

See the Xantera website for complete details.

RELEASE AND HOLD HARMLESS AGREEMENT

The Undersigned assumes the unavoidable risks inherent in all horse-related activities, including but not limited to bodily injury and physical harm to horse, rider and spectator. The Undersigned acknowledges that horse-related activities are dangerous and that horses themselves have unpredictable temperaments which can sometimes cause injury. The Undersigned acknowledges that even the most experienced horse event sponsor, participant or horse owner cannot predict how each individual horse will react in a variety of situations and cannot guarantee my safety. 2. I also EXPRESSLY WAIVE any rights I may have under California Civil Code §1542, which states: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

5. I agree that I will DEFEND, INDEMNIFY AND HOLD HARMLESS Releasees against all claims, demands, and causes of action, including court costs and actual attorney's fees, arising from any proceeding or lawsuit brought against them due to any act done by me, or brought by me or for my benefit.
