## PRESIDENTS MESSAGE by Maureen Henderson

Hi everyone.

Well, if you didn't attend the tack swap this past weekend you missed out on some great deals and a good time. Our Publicity Chairperson, Liz Daffner, once again put together a terrific event. Thanks so much Liz for all the work you put in towards making this event even better than last year. The swap was well attended by both vendors and buyers and I believe we made some good money which will be put towards upgrading both arenas at the park. See pictures on our FB page.

This month our membership meeting will be on Wednesday, June 21. We will be eating at 6 and meeting will commence at 6:30. Sonja Conklin, Membership Manager for AirMedCare NETWORK membership provider for REACH Air Medical Services & CALSTAR has agreed to come and speak to us. Sonja will explain the changes which have taken place at CalStar and go over the different options available to us. I have previewed some of the changes and there appear to be extended options which may appeal to those of us who like to do a lot of traveling (even when it is not in the wilderness and on horseback). She is scheduled to speak at 7:00 pm. So, come join us and perhaps bring a friend who may be interested in joining or learning more about the AirMed Network.

Don't forget we have another Obstacle Day scheduled on June 25. Had a great turnout at the last one and it was lots of fun. Hope to see you soon at the meeting or one of our upcoming events.

A handwritten signature in black ink that reads "Maureen".

### TRAYLOR RANCH NATURE RESERVE

On May 27 we had our 2nd workday of the year. I really appreciate the people who came out the week before due to conflicts for the Holiday weekend. A BIG thank you to Maureen Henderson, Billy House, Annette Nylander, Mary Westfall, Jennifer Wright and Wes Babcock. The grass continues to grow which meant I could have used more help with weedwackers. I was alone but managed to get the major areas. Remember, I do have extra equipment.

Everything now has been mowed, including the wet areas from last month. The trails are in good shape and thanks to Mary and Jennifer many of the potholes have been fixed.

\*\*\*THE GOATS ARE COMING!!\*\*\* You can't say I didn't warn you. They should be arriving any day now. There will be rotating areas fenced off. Please respect the fences and signs.

Please note our workdays are the 4th Saturday of the month. The next workday is June 24..Mark your calendar now.

I would also like to announce the new Traylor Ranch Facebook page.

**MINUTES  
LBHA Board and General Meeting  
May 17, 2017**

Meeting was called to order by Maureen at 6:30 pm. The following Board members were present: Maureen Henderson, Janis Rau, Kathy Dombrowski, Sherry Debaere, Barbara Heyward and Greg King. Not Present: Melanie Warlow, Flo Faoro and Dave Faoro.

All members present introduced themselves.

Kathy D. reported on the Horse Shows: All judges have been signed up and the website has a detailed list. All LBHA members are encouraged to find sponsors: Form for sponsorship is online, as is the class list. If a sponsor requires a form letter, K Dombrowski will provide one. Individuals can also sponsor a class or classes. Some present suggested more "fun" classes, such as egg-and-spoon. Contact Janis Rau with suggestions. FFA will again handle food. Placer County Sheriff will supervise parking; K Dombrowski will confirm in August. Parking will start at 6:30 am.

Kathy D. reported on the Health Fair at Loomis Basin Equine Vet Clinic to be held on June 4. Kathy D. will coordinate. Volunteers so far: Maureen Henderson, Bruce Renfrew and Sherry Debaere. Lunch will be served and Kathy will rsvp with number of volunteers to Loomis Basin.

Maureen reported that she had withdrawn her motion to donate funds to the Dru Barner lower campground donation. This donation will be reconsidered after our own arena refurbishment is completed. Proceeds from upcoming Tack Swap will be used towards arena work. Liz Daffner not present to give info on arena work or Tack Swap.

Bruce Renfrew, a participant in the recent Cow Clinic, reported that the clinic was fun, no parking issues. Very well organized: #1 meet the cows, #2 obstacle courses with cows involving chutes, #3 team penning. Lots of info on cow psychology. Lunch was good! All approved making a donation to the Roberts and send with a thank-you note.

The Gold Country Poker Ride will be held June 3 at Skillman, with raffles and prizes.

Kathy D. and Janice R. will edit and update the membership list. Total of members is about 150.

Maureen H. reported on the STATE PARKS ONLINE SURVEY: Evidently they have received very little feedback from this area. There was a much larger response from the Tahoe Basin area. Public comment period ends soon and she encouraged everyone there to complete the survey and ask friends and acquaintances who reside in Placer County to do the same. Now is the time for input for future trails.

Discussion on refurbishing the upper arena and obtaining additional sand for the lower arena was postponed until the next meeting.

The next meeting will be held on Wednesday, June 21. Sonja Conklin, Membership Manager for AirMedCare NETWORK membership provider for REACH Air Medical Services & CALSTAR will attend and be our speaker. She will speak at 7:00 pm.

The meeting adjourned at 7:30 pm.

## ARENA

**ARENA::** Please NO TRAILERS or HORSES on the asphalt parking lot. ALSO, no barrels, poles or other equipment may be used in the arena. Small Orange cones are OK. Trainers must have an Arena Use form submitted annually as well as the proper insurance naming LBHA and Placer County as "Also Insureds." If Insurance is cancelled 2 times or more, the permit is no longer valid. Trainers MUST contact LBHA with the time and number of students that will be in class, 24 hrs before the lesson. (All Forms are on LBHA Website at LBHA.us)

Pride is no longer doing maintenance, now have a new company that knows what to do. A new sign up has gone up on the trail for Trail Right of Way. Horses have the right of way. The swing over the creek is gone. The pile of red dirt in the gravel parking lot before the red gate was dumped with out permission. As soon as Roads can get to it they will remove it. If anyone needs some fill dirt, they can take all they want.

## **Volunteer Foundation that keeps Dru Barner equestrian campground open needs your help**

Want to keep having the opportunity to ride the trails and stay at a horse camp? It is volunteer groups that mainly keep our camps and riding trails open any more. It is individuals that volunteer and do back breaking, time consuming work that allows so many of us to have the opportunity to ride and horse camp on our public lands.

The Georgetown Divide Equestrian Trails Foundation is the group that works hard to maintain the Dru Barner equestrian campground. Dru Barner equestrian camp ground has taken quite a hit the last couple of years with fires, bark beetles and heavy snows. Over 100 trees had to be cut down leaving slash piles and debris everywhere. A pipe corral was destroyed, the loop road is a mess and the tree stumps have to be dealt with to avoid having trailer rigs get hung up on them. This year the Georgetown Divide Equestrian Trails Foundation volunteers couldn't keep up with the needed work. As a result, they had to cancel their fundraiser Fun Ride. What they need now is an infusion of cash to help them pay for repairs to the camp. They need to pay for road base, hire the road grader and build corrals. On top of all that, this year they'd like to pay for minimum security work crew to do help with the heavy work.

If we, trail riding equestrians and campers, all chip in a little it can help get the Dru Barner horse campground back on its feet. Send your tax-deductable donation to Georgetown Divide Equestrian Trails Foundation, GDETF P.O. Box 321 Georgetown, CA. 95634 or for more information contact them at [GDETF@gmail.com](mailto:GDETF@gmail.com)

## Equestrian Riding within Golden Gate Park, San Francisco

by Robert H. Sydnor, A.E.R.C. Trail Master  
June 2017

### Introduction

Equestrians can bring their own horses to ride in the western area of Golden Gate Park, as shown on the trail map (above). Alternately, beginning in May 2017, there are rental horses available for rides guided by an experienced wrangler. After several decades wherein horseback riding was not emphasized within Golden Gate Park, there is renewed interest from both city residents (without horses), and Bay Area equestrians (who own horses). The purpose of this report is to showcase both options.

On a busy weekend in good weather, there are thousands of people within Golden Gate Park. It is important for equestrians to study trail maps of the park and utilize areas that are away from congestion involving bike riders, joggers, hikers, dog-walkers, botanical garden visitors, sports fields (soccer, baseball, tennis, golf, etc.), family barbecues and picnics, kite-fliers, classical music concerts, rock musical concerts, visitors to the science museum inside the California Academy of Sciences, and visitors to the deYoung Art Museum. If possible, it is best for equestrians to ride in Golden Gate Park on quiet weekdays (Monday through Friday) and non-holiday weekends.

### Horseback Riding Concession within Golden Gate Park

On the southwest side of Golden Gate Park is the Bercut Equestrian Field. The San Francisco Department of Recreation and Parks has invited an equestrian concession to operate here on a trial basis, from March 28, 2017 to Autumn 2017, seven days per week, 8:00 AM to 7:00 PM.

**Pot A Gold Adventures** has 15 horses for rental rides that are safely led by an expert wrangler guide. Reservations should be made at **1-844-967-4653**. Riding helmets are supplied. Rides may be selected for 30-minute, 60-minute, or 90-minute duration. Young riders must be at least 5 years old. PotAGold Adventures is family-oriented. There are many parents and grandparents who bring young riders for their first experience with horseback riding in a happy and safe environment. The rental horses are especially selected to be calm and steady.

This company also operates the equestrian rides at Camp Mather, near Yosemite, which is also owned by the City of San Francisco Department of Recreation and Parks. For further information about this horse concessionaire, please visit their website at: <http://potagoldadventures.com/>

## Bring Your Own Horses to Golden Gate Park

Equestrians who have their own horses and horse-trailers are encouraged to bring them to Golden Gate Park and ride on the official horse trails.

The map shown below has the proper horse trails marked. Do not ride horses on the multi-use trails which are for bicycles, joggers, dog-walkers, hikers, and families with baby carriages. For example, many of the dogs being walked on multiple leashes by professional dog-walkers have (possibly) never seen a horse. So be safe and courteous to other park visitors who are not experienced with seeing horses, even on the official horse trails. Err on the side of caution.

Notice that all of the horse trails (shown in dashed brown lines) are in the **western** half of Golden Gate Park (= nearest the Pacific Ocean). When you arrive with a horse-trailer, please stay away from crowds of people at the deYoung Art Museum, the Botanical Gardens, and the California Academy of Sciences (= all on the **eastern** half of Golden Gate Park).

### Suggested horse-trailer parking areas shown as red lines.

As of 2017, there is *no* official equestrian assembly area or parking lot for horse-trailers. The historic horse stables on the northwest side of the Polo Field are closed and under repair. Perhaps in future years, a wealthy equine philanthropist will endow some new and modern horse stables for the general public. Stay tuned.

There are also Police Horse Stables on the northwest side of the Polo Field, but these are *not* open to the public and the gates are locked for security. Please do not go there. These stables are *only* for the Mounted Police of the San Francisco City Police Department.

The red star indicates the Bercut Equestrian Field, but there is no turn-around room for public horse trailers, since it is currently being used by the horse-rental concessionaire.

The red lines indicate quiet areas within the park where there is a wide lane for parking, and horse trailers can be accommodated. Bring your own manure fork, and clean-up after your own horse. This is a city park, so be a good steward of the land.

## Barefoot vs. Shoes

**There's a lot of pressure out there to leave your horse barefoot, but it isn't always the right choice.**

By [Grant Miller, DVM](#) (edited for length)

Many horse owners have converted their horses to the barefoot method of hoof management. Some report that the decision to pull their horse's shoes was made for philosophical reasons, while others cite economic hardship as a motivating factor. Why are we shoeing horses? Is it simply because, "That is how things are done"? Blacksmiths have been around for hundreds of years. This age old profession has diligently shod horses through the world's wars, revolutions and eras. Very few professions have been around this long... so there must be a good reason for it, right? They wouldn't be in high demand after all these years if the job wasn't necessary. So... which is best for your horse? Shoes or no shoes? From the vet's perspective, decisions should be made for each horse based on how the horse responds to being barefoot. Each case must be handled on an individual basis. Both shoes and barefoot have perceived pros and cons. For instance, some may view the protection that a shoe provides to a hoof to be a good thing, while others believe that the shoe prevents natural expansion and contraction of the foot that occurs in barefoot horses.

Here is my advice:

**1. No matter which way you decide to go, make sure to do your homework when you select the person to work on your horse's feet.**

Remember, it takes the average horse about one year to grow out a new hoof. That means that someone can cause lasting damage with just a nip here and a rasp there! Generally, farriers who are certified by the [American Farriers Association](#) have a solid baseline level of knowledge and skill. They're capable of balancing and trimming a hoof and also making and putting on a shoe.

Of course, just because they're certified doesn't mean they're good. On the contrary, there are plenty of talented folks out there who have decided not to go the AFA route. Some may be certified by the [Brotherhood of Working Farriers Association](#), and that's fine, too.

**2. Don't buy a line of bull.**

If it doesn't sound right, it probably isn't. Often, an incompetent farrier will weave a far-fetched fictional explanation of what's happening when in reality he or she is causing something to go wrong by not knowing what they're doing. Run things by your veterinarian.

**3. If you pull your horses shoes and go the barefoot route, your horse should not be foot sore forever.** It's widely understood that most horses will be sore for a few weeks, maybe even a few months after shoes are pulled. Often, the horse needs to build up callus on his soles to help protect the coffin bones from concussive forces that occur when they walk barefoot on the ground. In some instances, hoof tougheners like iodine must be applied. But, most horses will begin to walk out more comfortably within two weeks to two months after shoes are pulled. In some more extreme instances, barefoot horses will repeatedly get hoof abscesses. If this is occurring on a repeated basis then the owner must make some executive decisions.

**4. If ongoing lameness occurs from either shoeing or barefoot trimming, it's time to stop, regroup and find a new direction.**

This may require a new farrier, a decision that your veterinarian may help you with.

**Bottom Line.**

Whether barefoot-pro folks want to hear it or not, some horses aren't capable of being barefoot. It's unfair to sentence them to months of continual pain with every step. If your horse doesn't adapt to being barefoot within a couple of months, you should intervene to avoid sentencing them to a miserable life.

If you asked your horse whether he wanted to be barefoot or have shoes, he would probably tell you that he would prefer not being in pain with every step. If that means wearing shoes, somehow that doesn't seem so taboo. Perhaps that's why the practice of putting shoes on horses has survived for centuries.

The Undersigned acknowledges that horse-related activities are dangerous and that horses themselves have unpredictable temperaments which can sometimes cause injury. The Undersigned acknowledges that even the most experienced horse event sponsor, participant or horse owner cannot predict how each individual horse will react in a variety of situations and cannot guarantee my safety. THEREFORE, BY SIGNING BELOW, I KNOWINGLY ASSUME THE UNAVOIDABLE RISKS INHERENT IN ALL HORSE-RELATED ACTIVITIES, WHETHER KNOWN OR UNKNOWN, INCLUDING BUT NOT LIMITED TO BODILY INJURY AND PHYSICAL HARM TO HORSE, RIDER AND SPECTATOR, AND AGREE TO THE FOLLOWING ON BEHALF OF MYSELF AND MY SPOUSE, IF ANY:

1. I HEREBY RELEASE AND DISCHARGE LOOMIS BASIN HORSEMEN'S ASSOCIATION ("LBHA"), THE LBHA BOARD OF DIRECTORS, ALL LBHA OFFICERS AND INDIVIDUAL CLUB MEMBERS AND THEIR AGENTS, EMPLOYEES, OR REPRESENTATIVES, AS WELL AS PLACER COUNTY, (HEREINAFTER COLLECTIVELY KNOWN AS "RELEASEES") FROM ALL ACTIONS, CLAIMS OR DEMANDS I MAY NOW OR HEREAFTER HAVE FROM INJURY, DEATH OR DAMAGE RESULTING FROM MY PARTICIPATION IN ANY HORSE-RELATED ACTIVITIES SPONSORED BY LBHA, AT LOOMIS BASIN HORSEMEN'S ARENA OR AT ANY OTHER LOCATION.

2. I also EXPRESSLY WAIVE any rights I may have under California Civil Code §1542, which states: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

5. I agree that I will DEFEND, INDEMNIFY AND HOLD HARMLESS Releasees against all claims, demands, and causes of action, including court costs and actual attorney's fees, arising from any proceeding or lawsuit brought against them due to any act done by me, or brought by me or for my benefit.

I HAVE READ THIS RELEASE AND WAIVER OF LIABILITY AND INDEMNITY AGREEMENT CAREFULLY AND COMPLETELY, AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND A CONTRACT BETWEEN MYSELF AND RELEASEES, AND I SIGN IT OF MY OWN FREE WILL. I FURTHER AGREE THAT NO ORAL REPRESENTATIONS, STATEMENTS OR INDUCEMENTS APART FROM THE FOREGOING WRITTEN AGREEMENT HAVE BEEN MADE, AND THAT I RELY ON NONE. THIS AGREEMENT SHALL REMAIN IN EFFECT UNTIL REVOKED IN WRITING BY ME.

"Hi all. I am looking for a companion for my 10-yr-old pony who is very lonely after her stall mates have died. I have in-and-out stalls, daily turnout on a grassy acre, and direct access to the Folsom Lake trails from this property. Peaches gets along with all equines and loves to run around the pasture with a buddy. Plenty of hay storage here--I feed low calorie (lab tested) grass hay, but there's room for your own hay if you prefer.

I'm reaching out to my respectable horsey friends in hope of finding that safe, sane and loving horse for my daughter and her family. She is an intermediate rider but has not ridden for years, raising two boys ages 8 and 10. Boys will be around new addition. Would like to start western pleasure so horse must be papered. Boys will show halter. Price \$3000 If you know of any prospects please give me a shout and pass this message to a friend. **Linda Tar-rico**

11 year old gelding, Ace, about 15 to 15.1 hh. This horse has been roped off of, sorted cattle, driven cattle, gone on pack trips and been ridden for many rugged trail miles. He has good feet and is a solid trail horse. His owner is Bill Hartline and can be reached at [530 632-0458](tel:530-632-0458). He is priced at \$5500.
